

# Turn 7 Hours Into One Call

## Affordable Small Group Benefits

MyHealthily's proprietary software enables BCRCC agents to offer healthcare insurance and ancillary products to small businesses.

## Benefits Include

- Plans for full-time, part-time, and seasonal employees.
- Healthcare plans include fully-insured, medically underwritten and alternative funded policies.
- Ancillary products include dental, vision, LTD, voluntary, hospital, cancer care, and more.
- WOW customer service support for you and your staff.

## One 45-Minute Call

From online quoting, to binding, enrollment and services, our platform takes the paperwork out of the process. Renewals are a breeze too! Write business in one 45-minute call!

## Schedule a Call

Our trusted advisors will help answer questions and walk you through the enrollment process at a date and time that works for you.

Scan or call (888) 272-1513 to get a quote.

“What you’ve done here is taken something that could be hugely complex and time consuming and you have shaved 70% – 80% of that time and complexity out of it.”

Gregg G., Virtual Sales Director/Advisor - Insurica
